

PRIYANSHU LOHMI

Jaipur, Rajasthan • lohmiayush@gmail.com • +91 98288 43941 • LinkedIn

PROFESSIONAL SUMMARY

Detail-oriented Electronics and Communication Engineering student with hands-on experience in embedded systems, industrial automation, and software development. Demonstrated ability to bridge hardware and software through microcontroller programming, PCB design, and Python scripting. Proven leadership and marketing management experience through AIESEC, complemented by internships at REIL and Octal IT Solution. Eager to apply technical and interpersonal skills in challenging engineering or technology roles.

EDUCATION

B.Tech, Electronics and Communication Engineering | SKIT&MG, Jaipur, Rajasthan May 2023 – May 2027

CBSE, Class X & XII | St. Anselm Sr. Sec. School, Jaipur, Rajasthan 2021 & 2023

EXPERIENCE

Embedded Systems Intern, R&D Department | Rajasthan Electronics & Instruments Limited (REIL), Jaipur Dec 2025 – Jan 2026

- Designed and tested microcontroller-based circuits, interfacing sensors and display modules in a real-world industrial R&D environment, gaining hands-on experience with embedded hardware development and system-level troubleshooting.
- Assisted in PCB design, layout review, and hardware debugging under production-grade constraints, contributing to quality assurance and documentation processes aligned with REIL's industrial standards.

Senior Marketing Manager | AIESEC, Jaipur, Rajasthan Dec 2024 – May 2025

- Spearheaded marketing strategies for AIESEC's global volunteer and internship programs, managing a team to produce compelling content and oversee campaign rollout, achieving measurable improvement in applicant registrations and brand reach.
- Leveraged data-driven insights from market analysis to optimise targeting and messaging; orchestrated large-scale promotional events, significantly enhancing local chapter engagement and stakeholder visibility.

Junior Marketing Manager | AIESEC, Jaipur, Rajasthan Aug 2024 – Dec 2024

- Developed and executed digital campaigns to promote global volunteer and internship programs, created audience-focused content, conducted structured market research, and organised engagement events to grow chapter reach.

Python Programming Intern | Octal IT Solution LLP, Jaipur, Rajasthan Jul 2025

- Completed a one-month internship writing, debugging, and optimising Python scripts across assigned tasks, strengthening core programming fundamentals and developing practical problem-solving skills in a professional software environment.

Event Management Intern | Dreamcast, Jaipur, Rajasthan 2024

- Provided logistical coordination and on-ground operational support for large-scale events including Zomaland and live concerts, ensuring seamless execution across multiple simultaneous event zones.

PROJECTS

Real-Time Clock (RTC) System | Microcontroller 8051 • Embedded Systems 2024

- Designed and implemented a real-time clock on the 8051 microcontroller, programming timekeeping logic in embedded C and interfacing a seven-segment display module to output live time — demonstrating core embedded systems design and hardware integration skills.

TRAINING & CERTIFICATIONS

CSIR-CEERI PLC Training | Industrial Automation & Control Systems, Jaipur Nov 2024 – Dec 2024

- Completed an intensive 7-day PLC programming and configuration course using ladder logic, applying industrial automation and troubleshooting skills through hands-on control system projects at CSIR-CEERI's facility.
- Python Programming Internship Certificate • Octal IT Solution LLP • 2025
- AIESEC Chapter Leadership Recognition — Junior & Senior Marketing Manager • 2024–2025

LEADERSHIP & VOLUNTEERING

Senior Marketing Manager | AIESEC, Local Chapter, Jaipur Dec 2024 – May 2025

- Led a team of student volunteers, delegating tasks, reviewing deliverables, and managing campaign timelines across a six-month cycle — building direct experience in team leadership, creative direction, and cross-functional coordination.

TECHNICAL SKILLS

Languages: C++, Python, SQL

Electronics & EDA: Circuit Design, PCB Design (Proteus), PLC (Ladder Logic), Microcontroller 8051

Tools & Platforms: Git & GitHub, VS Code, MATLAB, Ableton Live

Soft Skills: Communication, Client Relationship Management, Team Coordination, Marketing Strategy, Graphic Design

Spoken Languages: English (Full Professional) · Hindi (Native)
